

Factsheet Plantage Amsterdam by boat

Come on board and discover Amsterdam's Plantage neighbourhood!

A 4-hour cultural highlight tour via boat

The Plantage, also known as "The Cultural Garden of Amsterdam", is located in the eastern part of the city centre and is exceptionally suitable to exploring by boat. Nowhere is there such a high concentration of cultural hotspots - from museums and theatres to the Artis Royal Zoo and a botanical garden. That's why Plantage Amsterdam, in cooperation with the Blue Boat Company, has launched two boat tours to help visitors discover this beautiful neighbourhood!

Starting in the summer of 2016, two 4-hour itineraries - including a boat tour, walk and visits to 3 or 4 locations - will be available for groups of 30 people or more, booked exclusively through tour operators.
